TO : Norbert Shepanek PCS/LOC ATTM: Shep: Re HSCA request 6 July 78 (OLC 78-2491) Para 3: We have no record of any transcripts or recordings of conversations of Ja Whitten or Win Scott. If any exist should be in CI Staff. Para 4: Annie Goodpasture wrote a history of the Mexico Station for the Western H sphere Division not the White House. This history covers the period from the incept of the Station in 1946 to 1969. There is very little material dealing with the Kenn assassination but a great deal of material relating to lition, relations, with top officials and operations not related to the HSCA investigation. It is impossible to itize this tome and the "soft file" documents do not exist. There is a bibliography again precious little pertains. Where to now? CC: C/LA/MGSB		REPLY		EQUESTED 1 August 78
